Bond Bank Loan Application

This application serves as a request for the Idaho Bond Bank Authority (the IBBA) to provide a loan to the applicant. This is not considered a commitment on the part of the applicant or the IBBA. Additional information may be requested before a final recommendation. The IBBA's Board of Directors will consider loan applications for approval on a quarterly basis. Upon approval of an application, the approved loan will, depending on the timing needs of the borrower, be included in the IBBA's next financing. The timing of IBBA issues will be determined by the number and size of approved loan requests. The IBBA expects to issue bonds to fund borrower loan requests twice a year, and more often depending on program demand. Loan amount requests may include costs associated with the applicant's legal or financial counsel obtained in the course of the financing process.
